When replacing less than four tires, Discount Tire recommends that the new tires will be placed on the rear axle of the vehicle

The tire and/or wheel you have chosen is different from the original equipment provided with your vehicle and may change its handling or stability characteristics.

Further information is available from your Discount Tire salesperson.

I understand by my signature below: The personal and vehicle information I have voluntarily provided is correct. I agree to purchase the products, pay the fees, and authorize the service and repairs at the final costs specifically listed in this electronic invoice. This invoice, if and as necessary under the law, is an estimate of repair and service costs as detailed herein.
